

TODAY: THE SAME POOL

Caregivers move among providers. The total pool does not grow.

Olera capacity intelligence

- Observed care-establishment failures
- Provider capacity and hiring needs
- Service type, geography, and shifts
- Workforce availability and outcomes
- External labor-market signals

CAREGIVER STAFFING: CREATING NEW SUPPLY

Pre-health students and other new pools

Train, screen, and verify

Place with licensed providers

More caregivers in the field
